

# Application Highlight

Wastewater | Water | Mechanical Seal

## Application Info & Challenge

- **Industry:** Wastewater
- **Location:** New Hampshire, USA
- **Equipment:** Vertical Yeomans Pump
- **Product:** Wastewater

Previously packed pump. Frequent packing adjustment. Issues with shaft/sleeve wear, resulting in housekeeping headaches as wastewater was spilling onto the floor.

442 Split Seal

## Solution & Result

- Chesterton 442® Split Seal, 3.000”
- **SpiralTrac™** Version D Type I, part# DI3000RI4000(316)

Since this solution has been installed, pump is quieter and **running more efficiently**, without any issues. Seeing the outcome, customer is requesting **3 other pumps** to be converted to the same solution.

Version N Type D SpiralTrac

*Chesterton solution Installed and running great without issues*
