

SpiralTrac™ for SULZER Scanpump®

Centrifugal Process Pumps

It's time to expect more of your Sulzer Scanpump Process Pump. Available for both single and dual mechanical seals, the SpiralTrac Adaptor can create an optimal environment for your seal to run in, resulting in longer MTBF and more efficient operation.

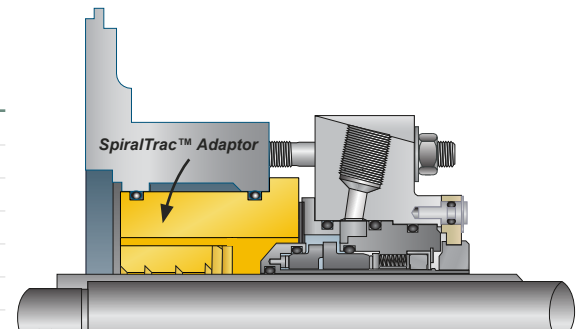

Benefits

- Dramatically reduces the costs associated with sealing your equipment.
- Increased MTBF
- Eliminates seal and cavity erosion.
- Reduce or Eliminate Flush
- Easy to install
